

2018 KR Gathering – September 13-15

Mount Vernon, Illinois (KMVN)

Come Join US!

KR Owner Pilot,

Because you are listed in the FAA data as a KR aircraft registration holder, we are contacting you to notify you that the annual KR Gathering is coming up September 13 through 15, at Mount Vernon Illinois Airport (KMVN). This is a non-towered field with long and wide cross runways and hangar space.

Please join us for forums, discussions, airplane gawking, and good conversation with fellow owners and builders. The KR Gatherings began in the mid-1980s in many different locations over the years.

- If your KR is flying, please take this opportunity to put a little time on it and show it off to other builders by flying into the Gathering
- If your KR needs a little work to make the trip, maybe it's time to resurrect it & fly it somewhere!
- Or maybe it's time to find a good home for it. Put it on a trailer & head to the Gathering with a "FOR SALE" sign on it. There will be many interested prospective buyers present...

The event is entirely free of cost, except for a nominal fee for those who choose to attend the banquet. The event begins on Thursday and runs through Saturday night, ending with an award banquet in the terminal restaurant area. Attendance is free! You do not have to pre-register (though it helps with our planning), nor do you have to attend the banquet (which does cost about \$15).

See <http://www.krgathering.net> for more information, updates, and optional registration. You will also find details on airport information & services, discounts for lodging, food and other local attractions.

You are also cordially invited to join us on our KRnet email list. This is a free email list for KR builders and pilots, to share ideas, solutions to problems, and advice to others when needed. Send a message to the list and 600 recipients can read and reply to your message. Join at www.krnet.org
